

New HealthEOS Network Logos

New versions of HealthEOS network logos will begin to appear on patient ID cards starting in January 2011. This change is purely cosmetic and does not affect contracted rates. We ask that you accept the new versions, along with the current versions which will be phased out as ID cards are reprinted upon health plan renewals. Below is a reference guide to help you identify the new logos.

New logos <i>(phasing in starting January 2011)</i>	Current logos <i>(phasing out upon plan renewals)</i>	Applicable contracted rates
		HealthEOS Network rates.
		HealthEOS Network rates unless specifically contracted for different rates under HealthEOS Plus.
		HealthEOS Network rates unless specifically contracted for different rates under HealthEOS Select. Non-par if you are a provider that is specifically excluded from HealthEOS Select.
		HealthEOS Network rates unless specifically contracted for different rates under HealthEOS Select or HealthEOS Plus. Non-par if you are a provider that is specifically excluded from HealthEOS Select.
